Fellow members of the Arkansas FFA Association,

Hello! My name is Julieann Stacks, and I am a proud candidate for the 2025-2026 Arkansas FFA State Officer Team. I humbly ask for your support during my candidacy.

Since joining FFA in the eighth grade, I have experienced many adventures. As a member of my chapter's forestry team, I have competed at forestry competitions around our state, and I have also participated in multiple leadership development events. Additionally, I have had the pleasure of holding various officer positions in my home chapter, including serving as President this past year. If elected as a 2025-2026 Arkansas FFA State Officer, I cannot wait to see what adventures await!

If elected to serve as an Arkansas FFA State Officer, I hope to give back to the association that has given so much to me. The adventures I have experienced as a member of FFA have helped shape me into who I am today. I am an Ag kid. I have a deep desire to teach others about the importance of agriculture and to impact future agriculturalists. As a state officer candidate, I hope to accomplish just that—supporting adventures in agriculture for others to experience. With a determined passion to help those in need, those growing in the industry, or newly welcomed members, I am ready to serve. With this new adventure on the horizon, I hope to embark on helping others navigate their own adventures. I am grateful to be a candidate for service as an Arkansas FFA State Officer. I humbly ask for your vote.

Thank you!
